Counsel or self-represented litigants shall notify the court and opposing parties in writing at the time of filing his or her pleadings

that the hearing will necessitate more than ten minutes for hearing, and request a long-cause setting. Such matters shall be called on the regular law and motion calendar for the sole purpose of setting at that time a date and time for the long-cause hearing. Upon stipulation of all counsel and self-represented litigants that a long-cause hearing be set, the parties may forego the setting appearance and instead supply the court in writing with available dates for the long-cause hearing.

E. TIME LIMITS ON PRELIMINARY HEARINGS.

Any preliminary hearing that will, in the opinion of either counsel or self-represented defendants, require more than 30 minutes to be heard will be heard as a setting for a long-cause hearing.

F. FILING OF NOTICES OF UNAVAILABILITY.

The court may accept for filing a “Notice of Unavailability of Counsel”; however, such notice is not binding on the court and shall have no effect as it relates to the court’s calendar. If the court does accept the “Notice of Unavailability of Counsel”, such notice must be filed in each case by court case number in which case the notice is expected to apply.

G. CIVIL MOTION PROCEDURE.

The California Rules of Court and provisions of the Code of Civil Procedure relating to law and motion matters will strictly be observed. Evidence at a law and motion hearing shall be by affidavit or declaration under penalty of perjury (Rule 3.1306.) The time for filing a motion, response, and reply will be observed (CCP §1005(b): 16 court days; 9 court days; and 5 court days), and the clerk shall mark any late-filed document with an appropriate stamp so indicating. H. EXHIBITS AS ATTACHMENTS TO DOCUMENTS.

Exhibits presented to the court as attachments to documents require an exhibit divider with a cover sheet behind the divider stating the exhibit number and the title of the document the exhibit is attached to. Further, the parties are hereby advised that in all such proceedings the parties will be given a fair opportunity to present and dispute relevant information and that inability to pay support is a defense to the contempt charge.

L. FAMILY-CENTERED CASE RESOLUTION PROCESS.

If a Final judgment and a Notice of Entry of Judgment is not submitted with the documents listed above, those documents will not be accepted by the court.

O. TIME FOR FILING MOTIONS (CRIMINAL).

Except for motions to be heard at a felony preliminary examination, and unless otherwise ordered or specifically provided by law, all moving papers in criminal cases shall include a Memorandum of Points and Authorities and shall be served and filed at least ten (10) court days before the time appointed for hearing. All papers opposing the motion shall be filed and served at least five (5) court days before the time appointed for hearing, and all reply papers shall be filed and served at least two (2) court days before the time appointed for hearing. Proof of Service of the moving papers shall be filed no later than five (5) court days before the time appointed for hearing. An original and one copy of all papers are to be filed with the court.

Except on motions brought pursuant to the provisions of Penal Code section 1538.5 and set for hearing at a felony preliminary examination, a party who has not timely served and filed written opposition to a motion will not be permitted oral argument, absent a court order.

Section Q of this rule provides the filing time requirements for motions brought at the preliminary examination pursuant to Penal Code section 1538.5.

P. MEMORANDUM OF POINTS AND AUTHORITIES (CRIMINAL).

A Memorandum of Points and Authorities must include a statement of the case and/or a statement of facts setting forth any procedural or factual matters relevant to the issues presented with page reference to any transcript, declaration, or other document to be relied upon at the hearing. The memorandum must clearly specify the precise factual and legal issues raised in the motion and the specific legal authority relied upon for the motion. Absence of a Memorandum of Points and Authorities shall be deemed by the court as an abandonment of the motion. No issues, factual or legal, other than those set forth in the Memorandum of Points and Authorities will be considered in ruling on the motion unless it is established the new issues were not reasonably discoverable before the motion was filed.

In addition to the above requirements, Defendants shall attach a copy of the current Complaint, Information, or Indictment to the Memorandum of Points and Authorities supporting any Demurrer, Motion to Dismiss, or Motion to Strike. In addition, Demurrers and Motions to Strike shall specify in the notice whether the Defendant seeks to dismiss or strike the entire Complaint, Information, or Indictment. If Defendant does not seek to dismiss or strike the entire Complaint, Information, or Indictment, Defendant shall set forth in the Notice of Motion the counts, enhancements, allegations, special circumstances, or other aspects of the Complaint, Information, or Indictment Defendant seeks to dismiss or strike.

Q. MOTIONS UNDER SECTION 1538.5 OF THE PENAL CODE

- (1) Time for filing.** A motion brought pursuant to section 1538.5 of the Penal Code may be made at the preliminary examination only if at least five (5) court days before the date set for the preliminary examination, the defendant has filed and personally served on the people a written motion accompanied by a Memorandum of Points and Authorities as required by paragraph (2) of subdivision (a) of Penal Code section 1538.5. At the preliminary examination, the magistrate may grant the Defendant a continuance for the purpose of filing the motion and serving the motion upon the People, at least five (5) court days before resumption of the examination, upon a showing that the Defendant or his or her attorney of record was not aware of the evidence or was not aware of the grounds for suppression before the preliminary examination. Any written response by the People to the motion shall be filed with the court and personally served on the Defendant or his or her attorney of record at least two (2) court days prior to the hearing at which the motion is to be made. Proofs of Service must be filed by the date of the preliminary examination. Motions not filed for consideration at a preliminary hearing must comply with section O of this rule.
- (2) List of items to be suppressed or returned.** The moving party shall include a complete itemized list of the specific items of property or other matters sought to be suppressed or returned. A general request to suppress or return “all evidence seized,” without greater specificity, is not sufficient and shall be deemed an abandonment of the motion. Only the items listed in the motion will be considered by the court for suppression or return unless it is established the newly identified item could not reasonably be identified before the motion was filed.
- (3) Specification of factual and legal basis for motion.** The moving party’s Memorandum of Points and Authorities shall comply with the first paragraph of section P of this rule and shall identify the specific legal and factual basis for claiming the search or seizure to be defective.
- (4) Copy of Search Warrant, Affidavit, and Inventory.** If relevant to the motion, legible copies of the Search Warrant, Affidavit in support of the warrant, and Return and Inventory shall be appended to the moving papers.
- (5) Failure to comply with the provisions of Penal Code section 1538.5(a)(2), or any portion of this rule may constitute cause for denial of the motion.**

When any party is unwilling to stipulate to the transcript of the preliminary examination or grand jury hearing being received into evidence (supplemented by other testimony and argument of counsel, as needed), that fact shall be stated on the first page of the Notice of Motion or Response. Failure to so indicate shall be deemed a stipulation to the admission of the transcript into evidence.

If the motion is based wholly or in part on the preliminary hearing, the moving party’s Memorandum of Points and Authorities shall specify what factual findings and legal conclusions were made by the magistrate.

R. DISCOVERY MOTIONS (CRIMINAL).

Upon a showing that the moving party has complied with the informal discovery procedure under section 1054 et seq. of the Penal Code, the court may make any order necessary to enforce the provisions outlined in section 1054 et seq. of the Penal Code. No motion will be accepted for filing or set for hearing unless there is attached to the moving papers a declaration by counsel, under penalty of perjury, setting forth the previous oral and written efforts to obtain the discovery by cooperative and informal means, and showing how the opposing party has not complied with section 1054.1 or 1054.3 of the Penal Code. A discovery motion shall be limited to the actual disputed items or class of items listed in the declaration.

S. TIME REQUIREMENTS FOR COUNSEL TO MEET WITH DEPARTMENT 5 (PRISON) DEFENDANTS.

In order to ensure effective assistance of counsel, the court directs all attorneys who are appointed in Department 5 (Prison) cases to make best efforts to meet with their clients no less than two (2) days prior to any hearing subsequent to the initial arraignment hearing. Any request for an exception to this rule shall be made to the judge scheduled to preside at the hearing.

T. MISCELLANEOUS MOTIONS.

- (1) All ex parte applications shall comply with California Rules of Court 3.1200 et seq., with notice to parties by 10:00 a.m. on the day prior to the scheduled hearing date and shall include LSC-FL-120, *Declaration Regarding Ex Parte Notice*.
- (2) Any party intending to abandon a motion already filed shall immediately notify the court and opposing counsel.

U. TRIAL READINESS – CRIMINAL.

The trial readiness conference in criminal matters shall be subject to the following requirements:

- At the time of declaring ready for trial, all parties must be able to represent to the Court that all subpoenas have been served on all necessary witnesses, all discovery has been properly provided to all opposing counsel, all substantive motions have been presented and heard by the Court, and the matter is ready to proceed to trial.
- Motions in limine will be heard on the day of trial unless the trial Judge has ordered differently.
- Subject to any existing remote appearance authorization, trial counsel must be personally present and the prosecuting attorney must have authority to dispose of the case. The defendant must also be personally present notwithstanding any existing remote appearance authorization.

- The declaration of counsel that the matter is ready for trial shall encompass all issues necessary for the confirmation and commencement of trial on the date the trial is to begin.

(Effective 7/1/99, as amended: 1/1/13, 1/1/15, 1/1/16, 1/1/17, 7/1/18, 7/1/19, 7/1/22)

RULE OF COURT NO. 2

TRIAL RULES

A. TRIAL READINESS.

- (2) All exhibits shall be pre-marked by prior arrangement with the trial clerk, and be shown to opposing counsel prior to the opening of trial. Exhibits submitted for pre-marking for trial must comply with the following instructions:
 - (a) Marking and logging exhibits. Each exhibit must be marked with an exhibit tag or label.
 - (i) People, Plaintiff & Petitioner exhibits will be assigned numerical designations.
 - (ii) Defendant & Respondent exhibits will be assigned alphabetical designations.
 - (iii) If Cross-Plaintiffs or Cross-Defendants are involved or the case(s) involve more than one Defendant, the court may direct an identifier be used when a specific exhibit is not intended to apply to all Plaintiffs or Defendants.
- (3) Counsel and self-represented litigants shall provide a written witness list to the court prior to the opening of trial.
- (4) In a civil case, counsel and self-represented litigants shall provide a brief written statement of the nature of the case to the court prior to the opening of trial.
- (5) Prior to the case being called for trial, counsel and self-represented litigants shall meet and confer upon their respective exhibits and identify those to which no objection will be made, those to which foundational objections are reserved, and those to which objection is made. Counsel and self-represented litigants shall jointly inform the court of the parties' positions on such proposed exhibits.
- (6) Counsel and self-represented litigants shall meet and confer upon any matters likely to be stipulated or uncontroverted, and reduce any agreements thereon to writing in a form that can be read into the record if the matter is reported, or if not reported, in a form adequate for filing.

- (7) No less than five (5) days prior to the date of commencement of trial, counsel and self-represented litigants shall submit to the court proposed jury instructions in completed written form. All proposed jury instructions must be submitted to the court in the form and format prescribed by California Rules of Court 2.1055.
- B.** Counsel and self-represented litigants shall admonish clients and those witnesses under their control to (1) refrain from any contact with any juror or prospective juror, and (2) refrain from making gestures, grimaces, sighs, or exclamations during any in-court proceeding.
- C.** Counsel and self-represented litigants shall question jurors and witnesses from the lectern or counsel table and shall ask the court's permission to approach a witness.
- D.** Counsel and self-represented litigants shall address all persons, other than child witnesses, by surnames.

- F.** Witnesses are ordered excluded from the courtroom, absent a stipulation of parties to the contrary, and counsel and self-represented litigants shall monitor compliance with this order throughout the trial. Designation of an investigating officer in a criminal case shall be made on the record. Counsel and self-represented litigants shall admonish their witness following his or her testimony to not discuss his or her testimony with any other witness during the trial.
- G.** After a ruling by the court upon any objection, motion, or summary request, counsel and self-represented litigants are to make no further argument on the matter. The remedy for an incorrect ruling is appeal, not oratory. It is disruptive to the orderly conduct of a trial to continue arguing after a ruling is made.
- H.** Counsel and self-represented litigants shall not engage in "speaking objections" unless the same are specifically invited by the court. In jury trials, all such arguments shall be made either at sidebar or in chambers. Counsel and self-represented litigants shall inform the court at each sidebar or chambers conference if they wish the conference reported, otherwise the reporter will not report the conference.
- I.** Should counsel or self-represented litigants discuss a case with a juror who is willing to do so after conclusion of the trial, the parties shall keep in mind the duty to not disclose to the juror evidence which was not admitted in the in-court proceedings. Counsel and self-represented litigants shall be cautious to obtain the juror's consent to talk about the case prior to asking any questions and shall respect and maintain the confidentiality of juror information.

A. TIME-LINES AND PROCEDURES GOVERNING SETTLEMENTS, MEDIATION, AND DISCOVERY PROTOCOL FOR CONTESTED MATTERS.

- (1) **Settlements.** Upon the calendaring of a contested hearing, the court may set each long-cause matter for a readiness conference as near the trial date as will most efficiently utilize the resources of the court. In addition, if it is the opinion of the court that a resolution is possible, the court shall also set the matter for a pre-trial conference. The parties shall inform the court if they believe a disposition conference would be productive.
- (2) **Mediation.** At any time prior to dismissal if there are issues of custody and/or visitation and there is no issue of risk of harm to the minor(s), the court may require the parties to schedule and participate in mediation. Minor(s) six (6) years or older must attend the mediation on direction of the mediator.
- (3) **Discovery Protocol.** See California Rules of Court, rule 5.546.

B. GENERAL COMPETENCY REQUIREMENT OF COUNSEL WHO APPEAR IN JUVENILE DEPENDENCY PROCEEDINGS.

All attorneys who appear in juvenile dependency proceedings must meet the minimum standards of competence set forth in this rule and rule 5.660 of the California Rules of Court. These rules apply to attorneys who represent public agencies, attorneys employed by public agencies, and attorneys appointed by the court to represent any party in a juvenile dependency proceeding.

C. PROCEDURES TO SCREEN, TRAIN, AND APPOINT ATTORNEYS REPRESENTING PARTIES.

- (1) Each attorney who represents parties in juvenile dependency proceedings shall meet the minimum standards of training and/or experience set forth in these rules. An attorney who appears in a dependency matter for the first time shall complete and submit LSC-JVDP-100, *Certificate of Competency to Practice in Juvenile Dependency Court*, to the court within ten (10) days of his or her first appearance in a dependency matter.
- (2) Attorneys who meet the minimum standards of training and/or experience as set forth in these rules, as demonstrated by the information contained in the Certificate of Competency submitted to the court, shall be deemed competent to practice

before the juvenile court in dependency cases except as provided in section C of this rule.

- (3) Upon submission of a Certificate of Competency, which demonstrates the attorney has met the minimum standards for training and/or experience, the court may determine, based on conduct or performance of counsel before the court in a dependency case, that a particular attorney does not meet minimum competency standards. In such cases, the court shall proceed as set forth in section D(4) wherein an attorney fails to comply.
- (4) Any attorney who appears before the court in a dependency case who does not meet the minimum standards of training or experience shall notify the court to that effect. In such case, the court shall order, except in cases where a party is represented by retained counsel, that certified counsel be substituted for the attorney who does not possess the required training. In the case of retained counsel, the court shall notify the party that his or her counsel has failed to meet the minimum standards required by these rules. The determination whether to obtain substitute private counsel shall be solely within the discretion of the party so notified.
- (5) In the case of an attorney who maintains his or her principal office outside of this county, proof of certification by the juvenile court of the California county in which the attorney maintains an office shall be sufficient evidence of competence to appear in a juvenile proceeding in this county.
- (6) If the court determines it to be in the best interest of the minor, the court reserves the right to allow an attorney to continue to represent parties in a juvenile dependency proceeding if said attorney's certificate of competency expires while the appointment is active.

D. MINIMUM STANDARD OF EDUCATION AND TRAINING.

OR

- (b) At least six (6) months of experience in dependency proceedings in which the attorney has demonstrated competence in the attorney's representation of his or her clients in said proceedings. In the determination of whether the attorney has demonstrated competence, the court shall consider whether the attorney's performance has substantially complied with the requirements of these rules.
- (2) In order to retain certification to practice before the juvenile court, each attorney who has been previously certified by the court shall submit a new Certificate of Competency to the court on or before February 28 of the third year after the year in which the attorney is first certified and then every third year thereafter. The attorney shall attach to the renewal Certificate of Competency evidence that he or she has completed at least eight (8) hours of continuing training or education directly related to dependency proceedings since the attorney was last certified. Evidence of completion of the required number of hours of training or education may include a copy of a certificate of attendance issued by a California MCLE provider; a certificate of attendance issued by a professional organization which provides training and/or education for its members, whether or not it is an MCLE provider; a copy of the training or educational program schedule together with evidence of attendance at such program; or such other documentation as may reasonably be considered to demonstrate the attorney's attendance at such program. Attendance at a court sponsored or approved program will also fulfill this requirement.
- (3) The attorney's continuing training or education shall be in the areas set forth in section C of this rule, or in other areas related to juvenile dependency practice including, but not limited to, special education, mental health, health care, immigration issues, the rules of evidence, adoption practice and parentage issues, the Uniform Child Custody Jurisdiction Act, the Parental Kidnapping Prevention Act, state and federal public assistance programs, the Indian Child Welfare Act, client interviewing and counseling techniques, case investigation and settlement negotiations, mediation, basic motion practice and the rules of civil procedure.

That attorney shall have 20 days from the date of mailing of the notice to submit evidence of his or her completion of the required training or education. If the attorney fails to submit the required evidence or fails to complete the required minimum hours of continuing training or education, the court shall order, except in cases where a party is represented by retained counsel, that certified counsel be substituted for the attorney who fails to complete the required training. In the case of retained counsel, the court shall notify the party that his or her counsel has failed to meet the minimum standards required by these rules. The determination of whether to obtain substitute counsel shall be solely within the discretion of the party so notified.

- (5) The clerk of the court shall maintain a cumulative list of all attorneys who have filed the required certification with the court, and annually shall notify the presiding judge in writing of the attorneys whose three-year certification period will expire in February of the current year.

The goal of the Program is to manage civil cases from filing so that:

- (1) Of unlimited civil cases, 75% are disposed of within 12 months, 85% are disposed of within 18 months, and 100% are disposed of within 24 months.
- (2) Of limited civil cases, 90% are disposed of within 12 months, 98% are disposed of within 18 months, and 100% are disposed of within 24 months.

In managing individual civil cases the court must consider each case on its merits. To enable the fair and efficient resolution of civil cases, each case should be set for trial as soon as appropriate for that individual case consistent with Rule 3.729.

B. CIVIL CASES SUBJECT TO PROGRAM.

All civil cases filed in the court are subject to the Program except those in the following categories:

Probate	Guardianship	Conservatorship
Family Law	Adoptions	Small Claims
Unlawful Detainer	Small Claims Appeals	Writs
Civil Petitions	Sister State Judgments	Water Rights
Juvenile Court Proceedings		

C. LAW AND MOTION MATTERS NOT SUBJECT TO PROGRAM.

Any law and motion matters not specifically related to the processing of the case pursuant to these rules or encompassed in the management of the case pursuant to these rules shall be set and noticed in the appropriate law and motion department of the court.

D. DUTIES OF CLERK AND PARTY/ATTORNEY UPON FILING FIRST PAPER.

At the time of filing of the initial paper instituting a subject case, the clerk shall provide to the party or attorney for the party presenting the document for filing LSC-CIV-025, *Delay Reduction Program Notice*. A copy of that document shall be served upon each other party with the Summons or other first document served upon them. Any party filing a Cross-Complaint shall serve a copy of the document with the Summons or other first document served upon any Cross-Defendants who have not previously been served as a party to the action.

E. TIME FOR SERVICE OF COMPLAINT, CROSS-COMPLAINT AND RESPONSE.

- (1) **Applicability.** This rule applies to the service of pleadings in civil cases except for unlawful detainer actions, proceedings under the Family Code, and other proceedings for which different service requirements are prescribed by law.
- (2) **Service of Complaint.** The Complaint must be served on all named Defendants and proofs of service on those Defendants must be filed with the court within 60 days after the filing of the Complaint. When the Complaint is amended to add a Defendant, the added Defendant must be served and proof of service must be filed within 30 days after the filing of the amended complaint.
- (3) **Service of Cross-Complaint.** A Cross-Complaint against a party who has appeared in the action must be accompanied by proof of service of the Cross-Complaint at the time it is filed. If the Cross-Complaint adds new parties, the Cross-Complaint must be served on all parties, and proofs of service on the new parties must be filed within 30 days of the filing of the Cross-Complaint.
- (4) **Timing of Responsive Pleadings.** The parties may stipulate without leave of court to one 15-day extension beyond the 30-day time period prescribed for the response after service of the initial Complaint with written notice to the court.
- (5) **Modification of Timing; application for order extending time.** The court, on its own motion or on the application of a party, may extend or otherwise modify the times provided in (2)–(4). An application for a court order extending the time to serve a pleading must be filed before the time for service has elapsed. The application must be accompanied by a declaration showing why service has not been effected, documenting the efforts that have been made to effect service, and specifying the date by which service is proposed to be effected.

- (6) **Request for Entry of Default.** If a responsive pleading is not served within the time limits specified in this rule and no extension of time has been granted, the Plaintiff within 10 days after the time of service has elapsed must file a Request for Entry of Default.
- (7) **Default Judgment.** When a default is entered, the party to request the entry of default must obtain a Default Judgment against the defaulting party within 45 days after entry of default, unless the court has granted an extension of time.

F. CASE MANAGEMENT CONFERENCE; MEET-AND-CONFER REQUIREMENT; AND CASE MANAGEMENT ORDER.

- (1) **Initial case management review.** In every general civil case except complex cases and cases exempted under California Rules of Court, rules 3.712, 3.714, and 3.735, the court shall review the case no later than 180 days after the filing of the initial complaint.
- (2) **Case management conference.**
 - (a) **Case management conference.** In each case, the court will set an initial case management conference to review the case. Notice of the case management conference will be given to all parties no later than 45 days before the conference, unless otherwise ordered by the court. At the conference, counsel for each party and self-represented litigant must appear personally or, if permitted under rule 3.670, by telephone, must be familiar with the case, and must be prepared to discuss and commit to the party's position on the issues listed in (5)-(6) below.

At the initial conference, the court must review the case comprehensively and decide whether to assign the case to an alternative dispute resolution process, whether to set the case for trial, and the other matters stated in this rule. The initial case management conference should generally be the first case management event conducted by court order in each case, except for orders to show cause.

- (b) **Case management order without appearance.** If, based on its review of the written submissions of the parties and such other information as is available, the court determines that appearances at the conference are not necessary, the court may issue a case management order and notify the parties that no appearance is required.
- (3) **Special order or request for a case management conference.** The court on its own motion may order, or a party or parties may request, that a case management conference be held at any time.

- (4) **Arbitration determination.** The court at the case management conference or review will determine if the case is suitable for judicial arbitration pursuant to Code of Civil Procedure section 1141.11(b).
- (5) **Subjects to be considered at the case management conference.** In any case management conference or review under this rule, the parties must address, if applicable, and the court may take appropriate action with respect to, the following:
- (a) Whether there are any related cases;
 - (b) Whether all parties named in the complaint or cross-complaint have been served, have appeared, or have been dismissed;
 - (c) Whether any additional parties may be added or the pleadings may be amended;
 - (d) Whether, if the case is a limited civil case, the economic litigation procedures under Code of Civil Procedure section 90 et seq. will apply to it or the party intends to bring a motion to exempt the case from these procedures;
 - (e) Whether any other matters (e.g. the bankruptcy of a party) may affect the court's jurisdiction or processing of the case;
 - (f) Whether the parties have stipulated to, or the case should be referred to, judicial arbitration or any other form of Alternative Dispute Resolution (ADR) and, if so, the date by which the ADR must be completed;
 - (g) Whether an early settlement conference should be scheduled and, if so, on what date;
 - (h) Whether discovery has been completed and, if not, the date by which it will be completed; disclosing all who have been deposed; all who are to be deposed, when and where they are to be deposed, and the reason why each person is being deposed.
 - (i) What discovery issues are anticipated;
 - (j) Whether the case should be bifurcated or a hearing should be set for a motion to bifurcate under Code of Civil Procedure, section 598;
 - (k) Whether there are any Cross-Complaints that are not ready to be set for trial and, if so, whether they should be severed;

- (l) Whether the case is entitled to any statutory preference and, if so, the statute granting the preference;
 - (m) Whether a jury trial is demanded, and, if so, the identity of each party requesting a jury trial;
 - (n) The date by which the case will be ready for trial;
 - (o) The estimated length of trial;
 - (p) The nature of the injuries;
 - (q) The amount of damages, including any special or punitive damages;
 - (r) Any additional relief sought;
 - (s) Whether there are any insurance coverage issues that may affect the resolution of the case; and
 - (t) Any other matters that should be considered by the court or addressed in its case management order.
- (6) **Meet-and-confer requirement.** Unless the court orders another time period, no later than 30 days before the date set for the case management conference, the parties must meet and confer, in person or by telephone, to consider each of the issues identified in (5) and, in addition, to consider the following:
- (a) Resolving any discovery disputes and setting a discovery schedule;
 - (b) Identifying and, if possible, informally resolving any anticipated motions;
 - (c) Identifying the facts and issues in the case that are uncontested and may be the subject of stipulation;
 - (d) Identifying the facts and issues in the case that are in dispute;
 - (e) Determining whether the issues in the case can be narrowed by eliminating any claims or defenses by means of a motion or otherwise;
 - (f) Whether there will be an independent medical exam and, if so, the date the parties expect to schedule the same;
 - (g) The nature of experts who are anticipated to be used at trial.

- (7) Case management statement.
- (a) **Timing of statement.** No later than 15 calendar days before the date set for the case management conference or review, each party must file a case management statement and serve it on all other parties in the case.
 - (b) **Contents of statement.** Parties must use the mandatory CM-110, *Case Management Statement* form. All applicable items on the form must be completed. In lieu of each party filing a separate case management statement, any two or more parties may file a joint statement under this rule.
 - (c) **Description of case.** Parties shall provide a statement of the case, including any damages, with sufficient detail and specificity. The claims and causes of action must be clearly identified and adequately described. The nature and amount of damages must be clearly identified and adequately described, to include the specific injury and specific dollar amount if monetary damages are sought. Indicating “nature and amount of damages to be determined” or other non-specific statements regarding damages will be deemed insufficient and non-compliant with this local rule.
 - (d) **Discovery.** Parties must indicate whether or not all discovery has been completed. If all discovery has not been completed, parties shall describe in substantial detail: (1) the identity of the party with incomplete discovery; (2) the description of the incomplete discovery; and (3) the specific dates by which the incomplete discovery will be completed. Indicating “pursuant to code” or other non-specific statements regarding the date by which incomplete discovery will be completed will be deemed insufficient and non-compliant with this local rule.
- (8) **Stipulation to Alternative Dispute Resolution (ADR).** If all parties agree to use an ADR process, they must jointly complete the ADR stipulation form provided for under California Rules of Court 3.221 and file it with the court.
- (9) **Case management order.** The case management conference must be conducted in the manner provided by local rule. The court will enter a case management order setting a schedule for subsequent proceedings and otherwise providing for the management of the case. The order should include such provisions as may be appropriate, including:
- (a) Referral of the case to judicial arbitration or some other form of alternative dispute resolution;
 - (b) A date for completion of the arbitration process or other form of alternative dispute resolution process if the case has been referred to such a process;

- (c) Whether all parties necessary to the disposition of the case have been served or have appeared;
 - (d) The dismissal or severance of parties not served or not appearing in the action;
 - (e) The names and addresses of the attorneys who will try the case;
 - (f) The date, time, and place for a mandatory settlement conference;
 - (g) The date, time, and place for a final case management conference before trial if such a conference is required by the court or the judge assigned to the case;
 - (h) The date, time, and place of any further case management conferences or review; and
 - (i) Any additional orders that may be appropriate, including orders on matters listed in (5) and (6).
- (10) **Case management order controls.** The order issued after the case management conference or review controls the subsequent course of the action or proceeding unless it is modified by a subsequent order.

G. Further Case Management Conference.

After the first case management conference, the court will normally set one or a series of further case management conferences, for each of which the parties have the same duties as with the first (service and filing of a case management statement and appearance of the party or trial counsel). The parties will be expected to have completed the discovery identified in the order from the first case management conference within the time limits set for the same in the order.

H. At-Issue Memorandum Abolished.

No At-Issue Memorandum shall be filed by the clerk of the court in any case subject to this rule. Requests for trial shall be made on the case management statement together with request for court reporter services.

I. Responsibility of Case Management Judge.

The responsibility of the case management judge is to achieve a just and effective processing of each subject case through active management and supervision of the pace of litigation from the date of filing to disposition.

J. STIPULATIONS FOR RELIEF FROM RULES PROHIBITED.

The parties to an action subject to these rules shall not enter a stipulation that purports to relieve any or all parties from the operation of these rules. Any request for relief from any part of these rules shall be on noticed motion to the appropriate law and motion calendar judge (not to the case management judge.)

K. Plaintiff/Cross-Complainant must file a dismissal within 45 days of settlement of the Complaint/Cross-Complaint. If the Plaintiff/Cross-Complainant fails to do so the court will dismiss the case unless good cause is shown why the case should not be dismissed (Rule of Court 3.1385(b)).

L. Failure to follow any of the foregoing Delay Reduction Program/Case Management Program Rules may result in an order to show cause why sanctions should not be imposed pursuant to Rule of Court 2.30. Similarly, failure to follow any aspect of a case management order, including but not limited to discovery schedules, may result in an order to show cause why sanctions should not be imposed pursuant to Code of Civil Procedure section 177.5 and/or California Rules of Court 2.30.

M. SANCTIONS FOR DELAY IN PROSECUTING AN ACTION.

The court may on its own motion or on a motion for defendant issue sanctions of dismissal under California Rules of Court 3.1340 or impose other less severe sanctions as otherwise provided by law that the court deems appropriate for a delay in prosecution, if the action has not been brought to trial or conditional settlement within two years after the action was commenced against Defendant.

RULE OF COURT NO. 8

JURY SERVICE AND DEFERMENT

A. DUTY OF CITIZENS.

Jury service, unless excused by law, is a responsibility of citizenship. The court and its staff should employ all necessary and appropriate means to assure that citizens fulfill this important civic responsibility.

B. WRITTEN COURT POLICY.

Pursuant to Division 1, Section 4.5 of the Standards of Judicial Administration of the California Rules of Court, the court hereby adopts criteria governing the granting of excuses from jury service on grounds of undue hardship based on Code of Civil Procedure section 204. The policy incorporates the following principles:

- (1) No class or category of persons will be automatically excluded from jury service except as provided by law.
- (2) A statutory exemption from jury duty service will be granted only when the eligible person claims it.
- (3) Deferring jury service shall be preferred to excusing a prospective juror for a temporary or marginal hardship.
- (4) Inconvenience to a prospective juror or an employer is not an adequate reason to be excused from jury service, although it may be considered a ground for deferral.

C. REQUEST TO BE EXCUSED.

All requests to be excused from jury service that are granted for undue hardship shall be in writing from the prospective juror, or placed on the court's record. The prospective juror shall support the request with facts specifying the hardship in a statement about why the circumstances constituting the undue hardship cannot be avoided by deferring the prospective juror's service.

D. GROUNDS CONSTITUTING UNDUE HARDSHIP.

An excuse on the grounds of undue hardship may be granted for any of the following reasons:

- (1) The prospective juror has no reasonably available means of public or private transportation.

- (2) The prospective juror travels a distance exceeding 1 and ½ hours from the prospective juror's home.
- (3) The prospective juror will bear an extreme financial burden. In determining whether to excuse the prospective juror, consideration shall be given to:
 - (a) The source of the prospective juror's household income;
 - (b) The availability and extent of income reimbursement;
 - (c) The expected length of service; and
 - (d) Whether service can reasonably be expected to compromise that person's ability to support himself or herself or his or her dependents or so disrupt the economic stability of any individual as to be against the interest of justice.
- (4) The prospective juror will bear an undue risk of material injury to or destruction of property of the prospective juror, where it is not feasible to make alternative arrangements to alleviate the risk. In determining whether to excuse the prospective juror, consideration shall be given to:
 - (a) The nature of the property;
 - (b) The source and duration of the risk;
 - (c) The probability that the risk will be realized;
 - (d) The reason why alternative arrangements to protect the property cannot be made; and
 - (e) Whether material injury to or destruction of the property will so disrupt the economic stability of any individual as to be against the interest of justice.
- (5) The prospective juror has a physical or mental disability or impairment, not affecting that person's competence to act as a juror that would expose the potential juror to undue risk of mental or physical harm. In an individual case, except where the person is aged 70 years or older, the prospective juror shall be required to furnish verification or a method of verification of the disability or impairment, its probable duration, and the particular reasons for the person's inability to serve as a juror.
- (6) The prospective juror's services are immediately needed for the protection of public health and safety, and it is feasible to make alternative arrangements to

relieve the person of these responsibilities during the period of service as a juror without substantially reducing essential public services.

- (7) The prospective juror has a personal obligation to provide actual and necessary care to another, including sick, aged, or infirm dependents, or a child who requires the prospective juror's personal care and attention, and no comparable substitute care is either available or practical without imposing undue economic hardship on the prospective juror or person cared for. Whether a request to be excused is based on care provided to a sick, disabled, or infirm person, the prospective juror may be required to furnish verification or a method of verification that the person being cared for is in need of regular and personal care.

E. PRIOR JURY SERVICE.

A prospective juror, who served on a grand or trial jury during the immediately preceding 12 months, shall be excused from jury service on a request for a period of one (1) year from the date of such service.

F. VALID REASONS FOR A PROSPECTIVE JUROR TO BE EXCUSED.

Upon request, the jury commissioner of the Lassen Superior Court is empowered to excuse from jury service persons for whom jury service would entail an undue hardship as herein above defined.

G. EXAMPLES OF VALID REASONS FOR A PROSPECTIVE JUROR TO BE DEFERRED.

Upon request, the jury commissioner of the Lassen Superior Court is empowered to postpone the jury service of a person for a period not to exceed 180 days for the following reasons:

- (1) A temporary illness;
- (2) A scheduled vacation that involves prepaid commitments, or cannot be otherwise conveniently rescheduled;
- (3) An important business demand of a nonrecurring nature which cannot be conveniently rescheduled;
- (4) A work hardship, i.e., there is no one available to take the place of that particular employee at the present time and, as a result, the business would suffer severe financial or business hardship;
- (5) Child care responsibilities;

- (6) A full time student when jury service would jeopardize his/her academic program;
- (7) Any other legitimate temporary hardship not expressly defined that in the opinion of the jury commissioner of the Lassen Superior Court would justify temporary deferment of jury service.

All other persons whose jury service has been postponed shall be called to jury service when the reasons for the postponement no longer exist.

(Effective 7/1/00, as amended 7/1/05, 7/1/22)

In computing fees, the expenses of litigation to be reimbursed shall not be included in the “amount recovered” for the purpose of fixing fees. Such expenses of litigation shall be separately itemized. Except in cases of hardship, parents should pay their proportionate share of attorneys’ fees and costs.
 - (10) Petition for withdrawal of funds. A petition for withdrawal of money deposited in a bank, trust company, or savings and loan association on behalf of a minor or incompetent person shall be verified by the guardian, conservator, or trustee and, in the case of a competent minor, by such minor if the minor is at least 12 years of age. If the judicial officer has not received the Request in time to approve it before the hearing, the Court has the discretion to deny the request.
 - (a)** When a party arranges for a reporter, the reporter must be appointed as an official reporter pro tempore before the hearing begins. Every reporter must complete and sign sections 1, 2, and 3 of the LSC-MIS-200, *Request for Appointment of Official Reporter Pro Tempore*.
 - (b)** The Judicial Officer must sign the order appointing the reporter as an official reporter pro tempore, using the LSC-MIS-200, *Request for Appointment of Official Reporter Pro Tempore*, before the reporter may report the proceeding.

- (3) By signing the *Request for Appointment of Official Reporter Pro Tempore*, the reporter agrees to the following:
- (a) The reporter has a valid, current California Certified Shorthand Reporter License and is in good standing with the Court Reporters Board of California.
 - (b) The reporter is not a current full-time employee of the court and appointment as an Official Reporter Pro Tempore will not interfere with the reporter's obligations as a court employee.
 - (c) The reporter will provide current contact information with the court.
 - (d) All fees for reporting services, including appearance, transcript, and real-time fees, are the responsibility of the party or parties who arranged for the reporter services and may not be charged to the court.
 - (e) The reporter will comply with statutes and rules applicable to official reporters pro tempore, including the duty to timely prepare transcripts, including those for appeals, in the proper form.
 - (f) The reporter will demonstrate the highest standards of ethics and impartiality in the performance of his/her duties.
 - (g) The reporter will comply with the court's requirements regarding uploading electronic archiving of notes within 48 hours of the date of the proceedings except in extenuating circumstances and is approved in advance by the Operations Supervisor or make other arrangements if the only notes are in paper form.
 - (h) The reporter will follow directions from the court and will be subject to the jurisdiction of the court to the same extent as an official reporter.
 - (i) The reporter will be available for read-back of notes taken during a jury trial within 30 minutes of the court's request.
 - (j) If providing real-time reporting or other litigation support services, the reporter is responsible for providing and connecting the necessary equipment.
- (4) Additional Information for Parties and Reporters
- (a) **Only One Official Record.** There can be only one official record of court proceedings, and only a reporter appointed by the court may report a court proceeding. (Code of Civil Procedure Section 273; Government Code Sections 70043 and 70044; *Redwing v. Moncravie* (1934) 138 Cal. App. 432,434.) Only one reporter will be allowed to report a court proceeding at

any given time. If the parties cannot agree on a reporter, the judicial officer will make the selection. The transcript may not be modified except on court order.

- (b) Payment for Official Reporter Pro Tempore Services.** The party arranging for an official reporter pro tempore is responsible for paying the reporter's fees, although the parties may arrange to share the fees at terms the parties negotiate. (California Rules of Court, rule 2.956(c).) All fees must be paid directly to the court reporter.
- (c) Transcripts.**

 - (i)** The judicial officer may order any party who arranges for the transcription of proceedings by the official reporter pro tempore to lodge a copy of the transcript with the court. (Code of Civil Procedure Section 128(a).)
 - (ii)** Transcripts produced by an official reporter pro tempore will be treated, for court purposes, identically to transcripts prepared by official reporters. Reporting notes of an official reporter pro tempore are official records of the court. (Government Code Section 69955(a).) The notes of an official reporter pro tempore, when transcribed and certified, are prima facie evidence of the testimony and proceedings. (Code of Civil Procedure Section 273(a).)
 - (iii)** Certified transcripts are admissible as evidence to the extent otherwise permitted by law. Transcripts prepared by a privately retained certified shorthand reporter appointed by the court as an official reporter pro tempore are admissible as evidence to the extent otherwise permitted by law. (Code of Civil Procedure Section 273(a).)
